**RMH Express Care Clinic is here  
for you — Afternoons, Evenings,  
Weekends, and Holidays.**

Ransom Memorial Hospital recommends that everyone have a Primary Care Physician for all your on-going healthcare needs. Many illnesses and injuries may cause you to seek immediate help, however, not every case is serious enough for a visit to the Emergency Room.

**Patient Information Line  
at (785) 229-8888.**
